OPINION AND ORDER

This matter comes before this Court on the Motion for Attorney Fees Pursuant to 42 U.S.C. § 1383(d)(2) filed by Timothy M. White, the attorney for Plaintiff, on March 11, 2009 (Docket Entry #28) as well as Plaintiff's Motion for Relief Pursuant to Fed. R. Civ. P. 60(b)(6) filed on the same date (Docket Entry #27). Counsel requests that he be awarded fees for legal work pursuant to 42 U.S.C. § 1383(d)(2)¹ in the amount of \$14,757.75. Counsel was employed by Plaintiff to appeal the adverse decision rendered by Administrative Law Judge presiding over the request for benefits. To that end, Counsel entered into a contract for compensation with Plaintiff, providing for the payment of a fee equal to 25% of any past due benefits ultimately awarded to Plaintiff. Such contracts are recognized as valid under the prevailing case authority. Gisbrecht v. Barnhart, 535 U.S. 789, 807 (2002).

In this case, Counsel filed this case on behalf of Plaintiff

¹ 42 U.S.C. § 1383(d)(2) is the vehicle by which fees are sought in cases brought under Title XVI for Supplemental Security Income. It is the functional equivalent of 42 U.S.C. § 406(b). Consequently, case authority applying § 406(b) will be cited for this Court in this § 1383(d)(2) case with equal applicability.

and filed the initial brief-in-chief and reply brief on the issues relevant to the appeal. This Court affirmed the ALJ's decision denying benefits. Counsel then appealed this Court's determination to the Tenth Circuit Court of Appeals where he obtained a reversal and remand. The mandate on the appeal was entered April 8, 2004. This Court vacated its prior ruling and remanded the case to Defendant for further proceedings by Order entered April 15, 2004.

On August 18, 2004, Plaintiff was awarded attorneys' fees in accordance with the Equal Access to Justice Act ("EAJA") for the efforts before this Court in the amount of \$9,350.00.

On February 8, 2008, Plaintiff obtained a fully favorable ruling, finding she was disabled since June 1, 1999. On December 31, 2008, the Social Security Administration issued a Notice of Award in which Plaintiff was awarded past due benefits in the amount of \$59,031.00.

The amount awarded to counsel for successfully prosecuting an appeal of a denial of Social Security benefits and obtaining benefits for a claimant may not exceed 25% of past due benefits. 42 U.S.C. § 406(b)(1)(A). As in this case, Defendant is authorized to withhold up to 25% of the past due benefits awarded to a claimant for payment directly to the claimant's attorney. 42 U.S.C. § 406(a)(4). Recently, the Tenth Circuit Court of Appeals determined that the 25% amount is separate and apart from the amount awarded at the agency level under 42 U.S.C. § 406(a). Wrenn v. Astrue, 525 F.3d 931, 937-938 (10th Cir. 2008). The only condition upon the full award of 25% is a requirement that the court review contingency fee arrangements "to assure that they

yield reasonable results in particular cases." Id. at 938 (citations omitted). Counsel's requested fees do not exceed either the amount contracted for in the contingency fee agreement or the limitations of § 406(b).

Defendant does not take a position on awarding the amount requested but does advise this Court of its obligation to make an "independent check" as to the reasonableness of the award. Despite the fact the source for Counsel's compensation is a contingency fee contract, this Court has reviewed the contemporaneous time and expense records based upon the admonishment of the Tenth Circuit to do so and finds the time expended to be reasonable and necessary in consideration of the result obtained. Moreover, Defendant's stated concern that Counsel have been compensated by EAJA is allayed by the fact Counsel must refund the smaller of any EAJA award and the amount awarded under § 406(b) to prevent a double recovery by the attorney. Kemp v. Bowen, 822 F.2d 966, 968 (10th Cir. 1987). Thus, counsel will be required to make the refund.

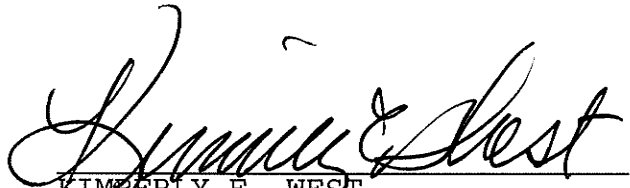

Defendant also rightly asserts a § 406(b) request must be filed within a reasonable time. In seeking an award under § 406(b), an attorney is required to employ the provisions of Fed. R. Civ. P. 60(b)(6). McGraw v. Barnhart, 450 F.3d 493, 505 (10th Cir. 2006). While relief under this rule is considered extraordinary and reserved for exceptional circumstances, substantial justice is served by permitting its use in the circumstance faced by counsel in seeking these fees. Id. To that end, any fee request pursued under § 406(b) should be filed "within a reasonable time of the Commissioner's decision awarding benefits." Id. (citation

omitted).

In this case, the Notice of Award was issued by Defendant on December 31, 2008. Counsel contends he did not receive the Notice until February 2, 2009. Counsel filed his request for compensation on March 11, 2009. This Court cannot find the delay which occurred in this case warrants the draconian result of denying an award of fees. Therefore, the request is considered timely.

IT IS THEREFORE ORDERED that Motion for Attorney Fees Pursuant to 42 U.S.C. § 1383(d)(2) filed by Timothy M. White, the attorney for Plaintiff, on March 11, 2009 (Docket Entry #28) as well as Plaintiff's Motion for Relief Pursuant to Fed. R. Civ. P. 60(b)(6) filed on the same date (Docket Entry #27) are hereby **GRANTED**. Plaintiff's counsel is awarded fees in the amount of \$14,757.75 and Defendant is directed to pay this fee directly to counsel from the amount of past due benefits withheld for that purpose. In addition, Plaintiff's counsel shall refund the smaller amount between the EAJA fees already awarded and the § 406(b) fees awarded in this decision to Plaintiff. Weakley v. Bowen, 803 F.2d 575, 580 (10th Cir. 1986).

IT IS SO ORDERED this 12th day of May, 2009.

KIMBERLY E. WEST
UNITED STATES MAGISTRATE JUDGE
